

# KENT COLLEGE

INDEPENDENT DAY AND BOARDING SCHOOL  
FOR GIRLS 3-18

## SCHOLARSHIPS FOR THE ACADEMIC YEAR 2019-20

Kent College is proud to offer a range of Scholarship and Exhibition opportunities at Year 7, Year 9 and for Sixth Form.

**Scholarships** are awards, usually 10% of net day fees, made to pupils demonstrating a particularly high standard of achievement or potential regardless of financial need. They will normally be held for the duration of a girl's time at Kent College, subject to satisfactory performance and commitment.

**Exhibitions** are awarded to scholarship applicants who show great potential but who are not quite yet at the level for scholarship. These girls will take part in the scholarship programmes but not receive a financial award.

Our scholars and exhibition-holders at Kent College are all allocated a dedicated staff supervisor with whom they meet regularly. Their supervisor not only writes a report about them but also helps them to balance the demands on their time, their expectations and those of their teachers and the wide range of commitments that many of our scholars have.

Personal targets are set and strategies considered to ensure that our scholars are best placed to 'learn without limits'. All scholars are expected to contribute enthusiastically and regularly to the life of the school in their area and to be ambassadors of learning throughout their time at Kent College.

We are a non-profit-making organisation and all fee income is used to balance expenditure, therefore, these opportunities are limited and highly competitive.
