WELCOME

Welcome to Kent College Pembury. I am delighted that you are considering a career here and hope that you enjoy the process of finding out more about us. I feel so lucky to lead the school community at Kent College, as I have the privilege of watching the students grow and develop through their time here and then into the world beyond. Seeing our staff nurture the students and recognise their potential is a joy to witness, and I very much hope that you will want to be a part of our community and share in the students' journey with us.

The best part about working at Kent College is our wonderful students. They recognise that hard work and ambition, combined with care and kindness to those around them is what brings success; this makes for a brilliant atmosphere, which I know you will enjoy. Through their time here, students learn to understand that they can use their skills to shape the world and so they leave here, ready for very bright futures. Staff and students work side by side in order to learn and grow together, and ensure that each and every member of the school community has a positive impact.

This unique atmosphere is only possible because of my dedicated and enthusiastic staff. I am incredibly grateful to have a fantastic staff body, each person an expert in their field who is dedicated to life-long learning and being a role model for our students. Staff wellbeing is a top priority for me as Head, with my aim for Kent College to be a fully inclusive workplace where all employees are valued, know their wellbeing and welfare is a priority and feel a sense of belonging. Wellbeing initiatives, a Leadership Programme and KC Career Pathways are just some of the ways that we invest in staff and their own futures.

Miss Katrina Handford, Head

WORKING AT KENT COLLEGE

Founded in Folkestone in 1886, Kent College was recognised at the outset for being 'the most forward-looking school of its time', something we still embody today.

We are an independent day and boarding school from 3–18 years. Our Forest Explorers Nursery is for girls and boys from rising 3 years. Boys can currently join Reception, Year 1 and Year 2 from September 2024 Year 3 and each subsequent year group as the Prep School gradually moves to a co-educational school by 2027. The Senior School is girls only from ages 11–18 years.

Since 1939, Kent College has been located in 75 acres of beautiful countryside in Pembury, on the outskirts of Tunbridge Wells. The school campus enjoys excellent facilities, including two indoor sports halls, indoor swimming pool, floodlit Astro, state of the art 200 seat theatre, modern science block, art studios and a Sixth Form centre.

OUR VISION

OUR AIMS

ABOUT US

METHODIST SCHOOL

The school is one of a group of schools within the Methodist Independent Schools Trust (MIST).

MIST oversees 12 independent schools and works closely with six other independent schools of Methodist foundation to provide a high quality, rounded and caring education. MIST also works with schools in the maintained sector wherever possible.

Methodist Schools are inclusive and welcoming communities where individuals are valued, good order is respected, relationships cherished, and where excellence in its widest sense (academic, extra-curricular, lifestyle) is pursued.

'Do all the good you can' – the opening of a prayer by our Methodist founder John Wesley – resonates deeply with us. Kent College pupils and staff experience community strength, non-judgmental understanding, support structures and respect.

INSPECTION

The school underwent a full inspection by the Independent Schools Inspectorate in June 2023 and was found to be 'Excellent' in all areas. The reports can be found on our website at www.kent-college.co.uk.

Pupils achieve high levels of knowledge, skills and understanding across all areas of the curriculum. This is as a result of the high expectation, strong subject knowledge and expertise that characterise the teaching.'

ISI 2023 Report

NURSERY AND PREP SCHOOL

The Prep School is a friendly, caring and happy school with a current roll of over 110 pupils aged 3 to 11 (Nursery – Year 6). The majority are day pupils with a small number of boarders. In addition to the core subjects of English, Maths and Science, all of the pupils in Key Stage 2 study Geography, History, Art, DT and RE. ICT is taught from Year 1 upwards. There are specialist teachers in Music, French, Drama and PE, and Mandarin is taught in Year 6. Each year, a number of pupils apply for and are awarded scholarships to the Senior School, and around two thirds of Year 6 pupils move up to the Senior School.

"A school that gives pupils time and space to develop to their best ability within a tight knit community. Bubbling with compassion."

Good Schools Guide 2023

“If you’re looking for an injection of optimism, it’s right here: bold, courageous and resilient learning where the message emblazoned on the school minibuses - ‘We Are The Future’ - really does apply to these pupils, who we felt are more than ready to ‘smash the world’.”

Good Schools Guide 2023

The Senior School has around 400 day and boarding pupils. Boarders make up 20% of the total school and come from all over the world. Entry at 11 and 13 is by the GL CAT4 test and the school accepts pupils with a range of academic abilities, with approximately half of our KS3 intake within the top 25% of the national ability range.

Kent College offers a choice of over 26 GCSE subjects, with group sizes usually between 3 and 18. Most pupils complete 10 GCSEs or IGCSEs, but there is the opportunity to take more or less depending on interest or need.

Students are also accepted for entry at 16+ and there are approximately 100 pupils in the Sixth Form. We offer around 27 subjects at A Level. BTECs are on offer in PE and Drama. Class sizes in the Sixth Form normally range between 3 and 12.

EXTRA-CURRICULAR ACTIVITIES (ECA)

Kent College places a strong emphasis on extra-curricular activities and has a flexible and innovative lunchtime and evening programme of prep and activity sessions. All pupils are encouraged to plan the use of their time so that they follow a balanced programme of academic work and extra-curricular activities. The pastoral care in the school is very strong and all staff are highly involved in wellbeing and general pastoral matters. All teaching staff are required to be involved in at least one ECA and most do more than this, as both subject and general ECA's are available.

RESULTS

Student performance at Kent College is strong, with every pupil being supported to achieve their potential. Value-added at GCSE consistently places us in the top 10% of schools nationally.
